

UK Oesophago-Gastric Cancer Pathway

Tuesday 25 November 2025

Etc Venues, M1 3HU

Overview:

This free national event is an opportunity to bring together leaders from across the country to share best practice in Oesophago-Gastric cancer care and tackle unwarranted variation. Attendees will explore current practices nationwide, celebrate and showcase success stories in OG pathways, and work together to shape optimal pathways and a shared vision for the future.

Suitable for:

Cancer Alliance senior leaders, lead clinicians and the wider OG workforce
